| Language note                    | Not recorded means the dossier has no language-term assertion; it does not state that the person lacked the language.                                                                                                                             |
| Preparation note                 | Schooling years are a duration/classification, not an acquisition date. Education and training dates await source-linked structured records; no dates are inferred here.                                                                          |

## Workbook-labelled PT start

No eligible alignment year under the documented source-label rule. Status: unavailable. Candidate years: Not recorded. Reasons: missing workbook department; missing workbook year.

This is a workbook-labelled first-work indicator, not an adjudicated historical P&T appointment and not proof of paid service. Calendar basis: agreement\_with\_inherited\_AH\_fields.

## Annual chronology (2 recorded rows)

Year labels and values below reproduce the dossier. Gregorian labels are stored labels, not exact day/month conversions; gaps remain gaps, and annual records do not imply continuous service. Salary values reproduce the recorded nominal monthly kuruş or assigned pay, not proof of disbursement.
